

Petrotrin Awarded by South Chamber

STCIC CEO Dr. Thackwray Driver

The South Trinidad Chamber of Industry and Commerce (STCIC) recognized Petrotrin for its contributions to the upstream sector at its 50th Anniversary function, which was held at Paria Suites, La Romain on July 1.

Minister of Energy and Energy Industries Dr. Lenny Saith presented the STCIC Upstream Sector Achiever Award to Petrotrin at this function. President, Operations Mr. Wayne Bertrand accepted the award.

In selecting Petrotrin for this award, the STCIC looked at the Company's commitment to local content, its exploration track record and community relations initiatives and its commitment to Health, Safety and the Environment.

"In selecting Petrotrin for this award, we did not just look at its suitability for the last financial year," said STCIC CEO Dr. Thackwray Driver after the presentation. "We made this

selection after reviewing the Company's operations since its initial involvement with STCIC which extends back to the early days of the Chamber. By presenting Petrotrin with this award we also sought to highlight the Company's history of involvement with the Chamber and the important role it plays in the economic and social life of Trinidad and Tobago."

Dr. Driver said he expected further excellence from Petrotrin in the future.

Yara Trinidad Ltd and Tucker Energy Services Ltd were also among the companies receiving awards at the STCIC 50th Anniversary. Yara Trinidad Ltd was awarded for excellence in manufacturing while Tucker Energy Services received an award for Energy Sector Services Achiever.

Former Petrotrin managers who served as presidents at the STCIC were also included among the 24 past presidents awarded at this function. These included Mr. Sharma Maharaj who served as president during the period 1990-1992 and Mr. Oliver Flax who served as president during the period 1997-1999.

The STCIC is primarily a lobby group that seeks to ensure that this country's hydrocarbon resources are transformed through business into sustainable livelihood for the citizens of Trinidad and Tobago and the wider region. Petrotrin representatives have consistently served on the Board of the STCIC. Presently, Manager, Corporate Planning Mr. Roger Bertrand serves as a council member on the Board.
